

**Delonghi 350.55 B**

Enjoy a luxurious coffee break with the Dinamica automatic coffee maker: a modern, streamlined design with intuitive touch button controls and LCD display. Choose from 4 delicious beverages, including espresso and cappuccino, and select a range of aroma and temperature settings. Sophisticated features deliver the best aroma and taste, every time.

- Coffee and milk-based beverages at the touch of a button
- Brew 2 espresso cups simultaneously
- Creamy, dense, long-lasting milk foam at the perfect temperature with the automatic LatteCrema System. Auto clean milk carafe
- Create new recipes, and customise aroma and quantity with MY function
- Black finish with LCD interface

## KEY FEATURES

### LatteCrema Hot

The exclusive De'Longhi technology that automatically serves superior hot quality foam for all hot beverages at the push of a button.

### Your coffee in one touch

Preparing any beverage has never been so easy thanks to one-touch technology. With the My function button, you can enter a special menu of recipes that can be easily personalised and saved in order to enjoy your perfect cup every time.

### Wide selection of recipes

Enjoy your favourite beverages delivered with just one touch. Choose from a wide selection of milk and coffee preparations, including 6 one-touch recipes.

### Fresh coffee in every cup

Enjoy freshness in every cup as the machine grinds the perfect amount of beans right before brewing.
